Dear Ms. Hannan:

This letter is in response to your Request for Additional Information concerning the Committee's 2012 October Quarterly Report (covering the period 7/1/2012 to 9/30/2012). The Committee's identification number is C00410233.

Your letter notes a \$35.00 contribution from an individual with a foreign address. The individual is an American citizen who occasionally works abroad.

Additionally the letter addresses a \$600.00 contribution from an unregistered local party committee. A non-federal political committee may give up to \$1,000.00 in the aggregate to all federal committees during a year without having to register with the FEC. The committee is able to certify that it had sufficient federally permissible funds in its account at the time it made the contribution. The contribution in question was not from a prohibited source; these were permissible funds.

Please be in touch should you have need of additional information.

Sincerely,

Tim Poloski
Treasurer
